The North Country Arts Council (NCAC) began as the North Country Artists' Guild in 1948. It served the area by providing opportunities to fine artists. In 2009, the mission was expanded to promote growth in and through all creative art forms including, but not limited to, music, theater, dance, literature, and visual arts. A non-profit, 501(c)3 organization, the NCAC is a tool for developing and celebrating cultural opportunities in the community, making it a better place to live.

Mission

To create and promote cultural opportunities in the North Country.

Vision

All members of the community, regardless of experience, background, or ability, will have opportunities to become involved in the arts in some way.

Road Map

Four strategies to achieve our mission & vision:

1. Developing a clearinghouse for local information about all arts opportunities and events
2. Offering a venue for selling local artists' work
3. Providing arts education
4. Creating events and exhibits that relate to the arts

To be involved, you must be **INFORMED**.

One of our most powerful tools is our arts calendar. To stay updated on what cultural opportunities are in the area, visit our website and sign up for periodic emails. You can also keep up to date on what's happening by following us on Facebook. Search for "North Country Arts Council" and click "Like."
