

Hello NCAC Artists,

During this time of pause, many ideas are being considered to enhance what North Country Arts Council can provide to you as a creator and member of NCAC. One initiative we are planning is an online gallery on the NCAC website with items for sale. Online sales opportunities seem to be a perfect option in this time of isolation and limited travel. The following will apply for the online gallery.

1. **This benefit is for current members of North Country Arts Council in good standing. To become a member visit <http://www.nnyart.org/site/join-now/>**
2. A limit of 5 pieces of artwork will be accepted for display and sale online.
3. The online gallery will sell the work of locally connected artists on a consignment basis. Sales will result in the artist receiving 75% of the sales price with NCAC garnering the remaining \*25%.
4. It will be the Artist's responsibility to notify NCAC Online Gallery Chairperson immediately if any piece is no longer available so that it can be removed from the online gallery.
5. Artists will be notified if work is sold online and it will be the artists' responsibility to make shipping or pick up arrangements of the piece. Once the purchaser has notified NCAC of receipt of the work, Artist payment will be calculated.
6. Payments for any sold work will be collected by NCAC and Artists income will be distributed monthly after the second week of the month.

If you are interested in showing work for sale please email [bluedelft@aol.com](mailto:bluedelft@aol.com) and provide the following information.

**Artist's Name, Address, Email, a short Bio or Artist Statement**

**Information about each piece:**

- **Name or Title**
- **Short blurb about the piece. Possibly the medium used, process or about the subject. Can be as short as one line.**
- **Size of item**
- **Price**
- **A decent resolution photo of the piece ATTACHED TO THE EMAIL (a WORD document or PDF with the images inserted will not work).**

Emailing your interest in participating will indicate that you agree with the stipulations above. I look forward to adding your work to the NCAC Online Gallery at [nnyarts.org](http://nnyarts.org).
